

6 Volunteers needed!

Growing Food & Friendships at a **Gatineau Housing Cooperative**

A Gatineau housing cooperative needs your help to improve their communal garden spaces. Throughout this project, volunteers will help install a chicken coop and rebuild the housing cooperative's community gardens while educating its children and residents on garden care and food security.

Placement #156 & 157 on the Community Engagement Navigator

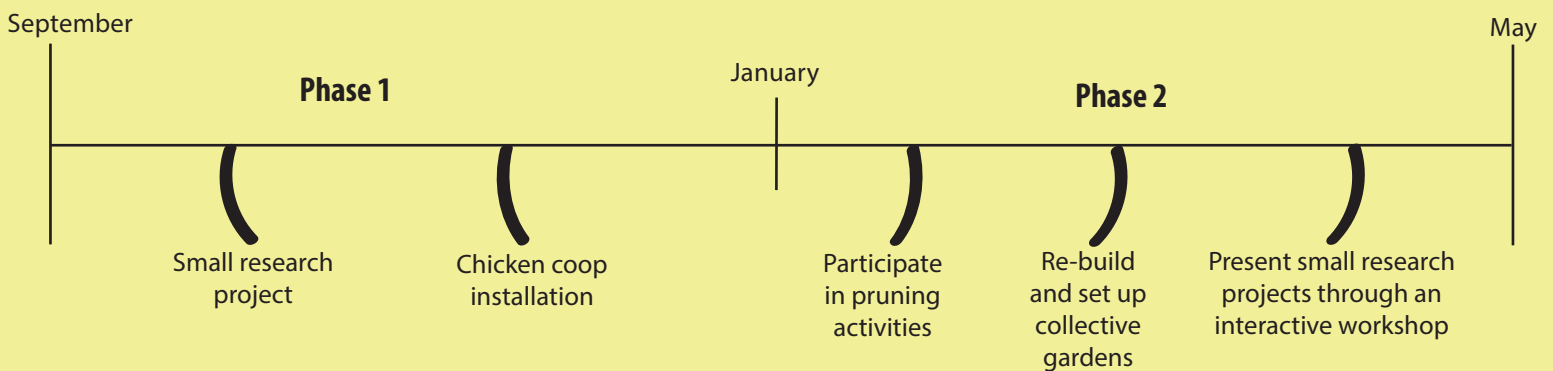

Your Roles:

- Research Project
- Installation and decoration of chicken coop
- Community outreach

Benefits:

- Enhance your leadership skills
- Develop your environmental awareness
- Increase your employability

Project Timeline:

For more information, contact Céline Doucet (Placement Officer) at celine.doucet@uottawa.ca
